

BRAND MESSAGING

King Cock has long set the standard for the realistic pleasure products market by continuing to offer more durable, higher-quality products produced in a clean environment and offered at competitive pricing. This resourceful King Cock display is a “must have” for all stores carrying King Cock and is the best method to showcase the new formula and let consumers get their hands on King Cock’s ultra-realistic dildos.

MARKETING RESOURCES

Product images, dimensions, videos, and marketing materials are all available at pipedreamproducts.com

KEY TARGET CONSUMERS

The King Cock collection continues to improve in quality and has grown more functional and popular. Realistic pleasure products are now being endorsed for their comprehensive health benefits and are poised to gain further traction as wellness products and personal essentials. According to consumer research, single women top realistic product purchasers, followed by single men, with couples coming in third.
