King Cock has taken the bestselling harness and squirting cock designs and added exciting new Tan color options!

FEATURES	ADVANTAGES
Unique Options with New Tan Color	Offer more variety for every preference
Realistic Designs	King Cock dildos have lifelike realism
Ultra-Realistic Squirting	The most satisfying ejaculating dildos available
Engineered for Optimal Fit	Every King Cock Harness provides maximum comfort and control
Premium Quality	Super-realistic, high-quality rubber

## SALES STRATEGIES

Diversity is key. In today's marketplace consumers are accustomed having a multitude of options that provide the personal experience that they're looking for. The power of choice makes purchasers feel more in control. This is especially true when consumers are looking for a dildo in a fantasy-fulfilling skin tone. The uber-popular King Cock collection is known for providing the most realistic products available, and the addition of Tan in July 2017 created a new desire for more of this color choice in popular King Cock styles. King Cock products continually attract customers naturally and aim to satisfy needs with realism, style and color choices.

### SALES STRATEGIES

Vibrators continue to be the #1 sex toys purchased, followed by dildos, which makes vibrating dildos the perfect combination and natural bestsellers! Today's consumer wants the ability to choose color, function and design to customize their intimate purchases. Since introducing our new Tan color option in July 2017, consumer feedback has been overwhelmingly positive. So, it made sense to offer this unique color choice in additional successful King Cock styles. As the King Cock collection continues to expand, consumers are drawn to the realism, multitude of options and the high quality of this American-made brand.
